

HEAD BOY and HEAD GIRL School Website UPDATE 2019

Cherice Atayi 11T - HEAD GIRL

Hello, my name is Cherice-Rose Atayi and I am head girl of All Saints Catholic School. I will be working diligently alongside Oluwanifemi, the head boy, and our Deputies to make sure the high standards and spirit of our school are upheld. Whilst I occupy this role I intend to strengthen our school community, by encouraging all the students to embody every element of our schools ethos, RUAH (respect, understanding, affection and humour). As I firmly believe that one small act of kindness can greatly impact the lives of people around us for the better. I would also like to ensure that every student is confident in knowing that in times of stress and adversity there is always someone to turn to for comfort and support. I plan on using my approachable and friendly nature to serve as a point of contact for all of the student body, providing myself as assistance in times of need.

I really enjoy singing and playing the piano, guitar and ukulele, so if the students need me I will most likely be in the music block. However, if I'm not there you can also find me at the prefect table in the foyer or in the canteen playing UNO. I will also be present at events that take place in school, such as parents evening and our annual Christmas carol and also school productions like sister act.

I look forward to improving our All Saints family during my time as Head girl. God bless you.

Nifemi Omoshuli 11F - HEAD BOY

My name is Oluwanifemi Omoshuli. I am extremely grateful that the school has awarded me the position as Head Boy of All Saints Catholic School, as this now provides me with the opportunity to give something back to the school community. As Head Boy, I promise to lead by a good example, represent and uphold the school's reputation, furthermore I also hope to help to continue to bring the school community together, as this will further help to maintain the school's ethos of One in Christ, moreover I would also like to broadcast a message given to us by Saint Francis, whose message was we are one community, we must care for one another. This is something I hold extremely close to my heart and something I would also like for everybody to be able to project this through their behaviour as this would help us develop the characteristics of being Christ-like, just as our

Lord and saviour Jesus Christ who cares for us, we must also do the same to everyone around us, not just our peers. These are things I aspire to achieve during my duration as Head Boy. However, this is something I can't hope to achieve alone but by the help of GOD, the Head Girl Cherice Rose Atayi, Deputy Head Boys and Girls and also from other within the school community.

If in any case, the student wishes to talk to me about issues, they can find me either in the Upper School canteen or on the new astroturf at break and lunch. I will also be helping out with important school events such as parents evenings, the school production, open evenings etc. I am looking forward to working with the school community.

Thank you and God bless.

DEPUTY HEAD GIRLS

Rosie O'Connor 11C

Hello, I am Rosie O'Connor from 11Catherine, and I am proud to have been recently appointed as Deputy Head Girl of All Saints. During my time in the role, I look forward to working alongside the Head Girl and other deputies to promote the values of RUAH across the school. I aim to be a friendly face and role model for my peers, and am eager to help in any way I can.

Sophie Lettington 11F

My name is Sophie Lettington and I was recently elected to work with the student body and teachers as a Deputy Head Girl. I plan to perform my new role with RUAH (respect, understanding, affection and humour) as I go about my daily activities and tasks set. I strive to be a friendly face and role model to the younger years, showing understanding and affection to any problems they may have and work with the rest of the team to be a platform between my peers and the teachers. I plan to perform my role with a positive attitude, willing to help anyone who needs my assistance, whether this is helping another student, helping visitors or speaking in assemblies. I am excited by this role and the opportunities it presents and I look forward to helping in future tasks such as the Christmas hampers.

Chidinma Jude 11C

My name is Chidinma, and this year I was given the honour to be appointed as Deputy Head Girl. The focal point for all on the student leadership team, is our love, respect and admiration for the All Saints community, which unites us in one ultimate aim: to render service to the school that has, for the past four years, moulded us into who we are today. I'd like to state that as Deputy Head Girl, I will do all that is necessary to ensure all are treated with respect, understanding, humour and most importantly an affection parallel to siblings'; after all, we are indeed a family in Christ. Families aren't always perfect, but a thing they do is always look out for each other, and for better or for worse, that's what we do at All Saints!
